*We'd like to extend a special thank you to the panelists from our December 14th session: John Pace (Phila.), Jesse Dorsz (MD), April Lee (Phila.), Kenny Matthews (WV), Giovanni Reid (Phila.), and Joe Schwartz (Phila.). These six people beautifully express the spirit of Inside-Out — the importance of breaking down walls, the power of dialogue, the discovery of one's voice, and the humility, openness, and empathy that are integral to the Inside-Out journey.*
