

Inside-Out T-shirt Order Form

Gear. It starts with T-shirts. To go along with the ever-ubiquitous jeans. Well, Inside-Out has one. It's a black shirt with white writing (see front-and-back design to the right). The graffiti on the front and the logo on the back were designed for the program by Fox, a young man incarcerated in Graterford Prison, who was deeply involved in the program for many years.

Support the program through the purchase of a one-of-a-kind Inside-Out T-shirt. The T-shirts are 100% Cotton – Standard Men's Sizes.
